

Primary School Uniform Policy

Introduction

The BIS uniform is an important element of school life. A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code. When worn properly it generates a shared identity among students. Having a uniform helps students to focus on their work and activities while at school, rather than their appearance. It encourages positive social interactions among students by building unity rather than competition about looks. It also makes life a little easier for parents!

BIS policy is that the school uniform is compulsory. All children from Years Foundation - 6 are required to wear only the official school uniform as per the student handbook. Parents need to be aware that failure by children to wear the school uniform may result in parents being contacted or a uniform infringement note being given to the child.

Aims

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide a school uniform that is practical, comfortable and attractive
- To maintain and enhance the positive image of the school in the community
- Engenders a sense of community and belonging towards the school
- Is practical and smart
- Identifies the children with the school
- Prevents children from coming to school in fashion clothes that could be distracting in class
- Makes children feel equal to their peers in terms of appearance
- Is regarded as suitable wear for school and good value for money by most Parents / Carers
- Is designed with health and safety in mind

Implementation

The Dress Code applies during school hours and when students are on school day trips.

We do not allow children to wear jewellery in school on health and safety grounds. The exceptions to this rule are stud earrings in pierced ears, and small objects of religious significance, such as a crucifix on a chain. We ask the children to either remove these objects during PE and games, or cover them with a plaster, to prevent them from causing injury to either themselves or others.

Tattoos are not permitted.

Extreme hair colours (e.g.: green, pink or purple rinses) and/or extreme hairstyles (e.g.: patches of colour, or Mohawks) are not permitted.

BRITISH INTERNATIONAL SCHOOL

School Policy requires the Principal be responsible for implementation of the Dress Code in a manner consistent with the Student Behavioural Policy.

Shoes that have platform soles or heels that are more than 1.5 inches in height should not be worn because BISs believe that these are dangerous.

Parents seeking exemptions to the Dress Code due to religious beliefs, ethnic or cultural background, student disability, health condition or economic hardship must apply in writing to the School Principal.

Students will be expected to wear a school P.E. shirt for Physical Education lessons.

Students with collar length/or longer hair, must wear their hair tied back.

All uniforms can be purchased in the school office in the 7a Uzicka Lower Primary Building office or in the school office at 12 Smetanina.

Evaluation

This policy will be reviewed as part of the annual parent opinion survey, specific surveys aimed at determining the level of support for specific uniform items and by School Council as required.

Consideration will be given to the level of support given to the uniform policy by the number of issues raised compared to the level of compliance relating to wearing the school uniform.

This policy will be reviewed as part of the school's three-year review cycle.

At BIS we aim to ensure that no member of the school community experiences harassment, less favourable treatment or discrimination within the learning environment because of their age; any disability they may have; their ethnicity, colour or national origin; their gender; their religion or beliefs. We value the diversity of individuals within our school and do not discriminate against anyone because of 'differences'. We believe that all our children matter and we value their families too. We give our children every opportunity to achieve their best by taking account of our children's range of life experiences when devising and implementing school policies and procedures
